

ALPINE® Scheibenklar Sommer

Glass cleaner concentrate 1 : 10 with citrus scent

Properties

ALPINE Scheibenklar Sommer 1:10 is manufactured from high-quality raw materials and meets the latest requirements for car care products. **ALPINE Scheibenklar Sommer 1:10** is polycarbonate-compatible and suitable for fan nozzles. **ALPINE Scheibenklar Sommer 1:10** is a concentrated additive for the windshield washer system and ensures good visibility in road traffic through intensive cleaning action. Effortlessly removes dirt, streaks, grease and fresh insect remains, but does not attack car paints and rubber.

Application notes

For an economical mixing ratio, mix the product in a ratio of 1:10 with water and add to the windscreen washer system. The lines up to the spray nozzles can be rinsed free of water by actuating the system once or twice.

Service description

Ingredients:

- Surfactants
- Preservation agents
- Dyes and fragrances
